

Finding Jesus | A Study Guide CHARLES S. STUART

Embracing the Complete Gospel of Jesus, the Christ.

By inserting “, **the**” between Jesus and Christ we can separate the Christ salvation gospel (**The Gospel of the Christ**) from the Jesus gospel of establishing the Kingdom of God on Earth (**The Gospel of Jesus**) which was the primary mission of Jesus.

The Gospel of Jesus[^] Christ. **, the**

This allows for one complete Gospel, **The Gospel of Jesus, the Christ**, to include two parts, **The Gospel of Jesus** and **The Gospel of the Christ**.

This is explained more fully in the chapter in the chapter in the Study Guide titled “One Gospel in Two Parts” that can be downloaded in PDF by clicking www.TheGospelofJesustheChrist.org/comma-the-pdf.

Each step followers of Jesus take to usher in the Kingdom of God on Earth found in The Gospel of Jesus is another step toward The Gospel of the Christ.
